The National Center for Fair & Open Testing

## More Than 1000 Accredited Colleges and Universities That Do Not Use ACT/SAT Scores to Admit Substantial Numbers of Students Into Bachelor-Degree Programs

*Current as of Spring 2018*

This list includes institutions that are "test optional," "test flexible" or otherwise de-emphasize the use of standardized tests by making admissions decisions -- without using ACT or SAT scores -- for all or many applicants who recently graduated from U.S. high schools.

As the endnotes indicate, some schools exempt students who meet minimum grade-point average or class rank criteria; others require SAT or ACT scores but use them only for placement purposes. Please check with the school's admissions office for details
